Improving emotional health and wellbeing

Youth Crime

Taylor Saban, Community Outreach Coordinator,
YouthLink Calgary Police Interpretive Centre

Participants will learn:

- How and why young people engage in criminal behaviour, as well as the lasting impact on their lives and communities.
- Current trends in youth crime, challenging popular media and common misconceptions, and the risk factors associated with young offenders.
- Consequences of youth crime through the implementation of the Youth Criminal Justice Act, the use of extrajudicial measures in youth sentencing, and the reality of youth incarceration.
- What protects youth, families, and communities from engaging in risky behaviour, and numerous youth-focused resources available within Calgary.
